Annual Compulsory Activity Levy

This levy is an annual charge and covers the cost of the School's core programs (academic, wellbeing and co-curricular activities run by staff). Please note it;

- does not cover uniform, textbooks, elective co-curricular activities run by paid consultants or BYO Device for Years 7 to 12
- is payable in full for all students
- is non-refundable and credits will not be issued arising from failure to participate in core programs, illness or cessation of enrolment.

By consolidating these core activities into one charge parents/carers have greater certainty as to the annual costs of a student's education.

Tuition Discounts

All payment and sibling discounts will be calculated as a percentage of the annual tuition fees.

Annual Payment Discount

A discount of 2.5% of the Net Annual Tuition Fees is applicable if the full amount is paid on or before 31 January 2026.

Sibling Discounts

3rd sibling	20% reduction in annual tuition fees
4th and subsequent sibling	30% reduction in annual tuition fees

Sibling discounts apply when three or more siblings are enrolled at the same time.

Invoicing and Compulsory Direct Debit

Invoicing of Fees, Levies and Charges

- The annual notification of fees for tuition and compulsory activity levy will be issued in January each year. Tuition Fees will be billed in advance at the commencement of Term.
- Invoice/statements are issued by email each month to the preferred email addresses for those families that have a transaction in that month and /or an outstanding balance.

Compulsory Direct Debit

- All fees must be paid by Direct Debit in advance through the School's chosen secure banking platform Bpoint with CommBank.
- Families elect a Direct Debit payment frequency (Annually, Termly or Monthly) where a fixed amount will be Direct Debited based on the Annual Tuition Fees and Compulsory Activity Levy schedule above.
- The Direct Debit authorisation frequency will automatically continue until the family chooses an alternate payment frequency, the student graduates or the family withdraws from the School.
- Balancing payments will be made as per the below schedule each year to collect any final outstanding fees owed to the family account.
- If a Direct Debit payment fails due to insufficient funds or any other reason, the School reserves the right to attempt the payment again on the next business day. Any failed Direct Debit payment will result in a \$10 charge to the family's fees account to cover bank charges and administration fees.
